

GAVY 200 & GAVY 500 Teacher Trainings Lodging Ideas in Playa del Carmen

You can walk everywhere from the center area of Playa del Carmen. And there are many, many places to stay, at many different budgets. Especially in low season August/September/October. Below are listed a few to get you started.

Sometime students get together and share an apartment with 2 or 3 bedrooms. This can be fun, making your training experience more like a retreat. Cooking together, studying together, etc...

You need to connect with the other students in the training if you want to try to share space.

All suggestions are walking distance to the beach, cafes, restaurants, etc...
